

End User License Agreement (EULA)

MAFW Database

By signing this document the user, he/she/they who will make use of the database agrees to the following terms.

With database, we denote both the actual data (raw/pre-processed) as well as the annotations.

1. Academic, non-commercial and not-for-profit use

The MAFW database is provided under the terms of this license strictly for academic, non-commercial, not-for-profit purposes. The user should not use the database for any non-research purpose(s). Non-research purposes include, but are not limited to:

- proving the efficiency of commercial systems
- training or testing of commercial systems
- using screenshots of subjects from the dataset in advertisements
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

2. Responsibility

This document must be signed by an academic, i.e., a person with a permanent position at a research institute or university.

3. Distribution

Redistribution, republishing, or dissemination of MAFW in any form, source or binary, is not permitted without prior written approval by the licensee. The user can not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Note that publications will have to comply with the terms stated in article 5.

4. Further Rules

The name of the licensee may not be used to endorse or promote products derived from this database and annotations without specific prior written permission.

The licensee reserves the right to modify the data/license at any point and to terminate access to the database at any point. Modification of the database by licensees is not permitted.

The terms of this dataset prohibit copying to others, uploading to the web, compositing videos, etc.

5. Publications

Any publications arising from the use of MAFW, including but not limited to academic journal and conference publications, technical reports and manuals, as well as presentations for conferences or educational purposes, must cite the papers mentioned in the official MAFW website and are also stated in the email that provides details on how to access the database (sent by the licensee).

6. Research

The user may only use the database for research purposes.

7. Misuse

If at any point, the administrators of MAFW database and/or the licensor have a reasonable doubt that the user does not act in accordance to this EULA, he/she/they will be notified of this and will immediately be denied further use of this database.
